PRESS RELEASE

Polygon Solutions Inc. is 2013 Transformation Award Finalist

The Southwest Florida Regional Technology Partnership announced finalists today for its Transformation and Savvis Direct Innovention Awards to be presented at the Fifth Annual SWFRTP Awards Gala Wednesday, March 20 in Fort Myers.

The Transformation Award is for an organization or business that is achieving success through application or implementation of IT to overcome a business challenge. Finalists Are Polygon Solutions Inc., ITVantage and Video Career Finder. The Savvis Direct Innovention Award is for a Southwest Florida Company that has invented, improved or demonstrated an innovative and creative technology solution. Finalists are dESCO LLC, Naples Network Services and Position Logic.

Polygon Solutions Inc. is a Florida company which manufactures rotary broaching tools for the turning industry. Polygon's rotary broaches are used to manufacture precision machined products such as bone screws, aerospace fasteners and many automotive products.

The Awards Ceremony is Southwest Florida's longest-running, high-profile "excellence in technology" event. This year's keynote Speaker is Gary Beach, Publisher Emeritus of CIO Magazine. Registration, Sponsorship opportunities and additional details are at the Southwest Florida Regional Technology Partnership website: www.swfrtp.org.

The Southwest Florida Regional Technology Partnership, a not-profit corporation, is the only organization dedicated solely to promoting the growth of the technology sector in Southwest Florida. Polygon Solutions Inc. is also a member of the [Southwest Regional Manufacturing Association](#), and partners with other local Florida manufacturers to improve conditions for manufacturing sustainability and economic growth in the region.

Title sponsor: CenturyLink, Platinum sponsors are Naples Daily News and Chico's FAS.

Silver Sponsors are: Surround Technologies, Hahn Loeser, vTECH io, Dell Partner Direct Preferred, FPL FiberNet, WCI Communities and Global IT.
