FOR IMMEDIATE RELEASE:

BLACKSTONE-NEY ULTRASONICS ANNOUNCES A SECOND MANUFACTURING FACILITY IN FALCONER, NY

January 2023 – Cincinnati, OH

Blackstone-NEY Ultrasonics a leading supplier of precision ultrasonic technologies, is pleased to announce the Company has leased a 21,000 ft/sq high bay facility in Falconer, NY.

The lease of the new building will increase manufacturing capacity and allow for efficient workflow on medium to large precision ultrasonic cleaning lines.

Eric Kenney, President of Blackstone-NEY Ultrasonics “Our business has expanded considerably over the past few years especially with engineered to application precision cleaning machinery. This move will help to position the company for sustained growth while giving us the space for much needed capital investment in manufacturing technology. We are excited to be making this move after 36 years in our Jamestown location.

For more information about the Blackstone-NEY Ultrasonic visit www.ctgclean.com

Cleaning Technologies Group, LLC is a world leader in providing innovative cleaning and waste minimization technologies to precision and industrial manufacturing markets. CTG is comprised of Ransohoff located in Cincinnati, Ohio, Blackstone-NEY Ultrasonics located in Jamestown, New York, and CTG Asia located in Suzhou, China. The Group is the premier provider of high technology, environmentally friendly parts-cleaning and waste-minimization equipment and services to the global marketplace. CTG LLC is a wholly owned subsidiary of NM Group Global, LLC.

NM Group Global LLC is a holding company for a growing group of manufacturing firms with a global reach for sourcing and marketing. Founded in 2002 with the purchase of National Machinery LLC, the original holding company, and world leader in the development and manufacture of cold forming machines, process technology, and aftermarket services. National Machinery, founded in 1874, is headquartered in Tiffin, Ohio with service centers and sales offices throughout the world.
