

PLYMOUTH, Indiana, February 18, 2025 /PRNewswire-PRWeb/ -- [SpiTrex Orthopedics](#) today announced the promotion of Bryan Lenard as the company's new Chief Financial Officer (CFO), effective February, 2025.

During a 20+ year career, which includes 10 years' experience in executive-level finance and strategic leadership roles, Bryan Lenard brings a wealth of knowledge and expertise to his new role at SpiTrex Orthopedics. He will be responsible for overseeing SpiTrex's financial operations, enterprise-wide optimization, capital allocation, and will play a significant leadership role in guiding the company's financial and business strategy to support its long-term growth objectives.

Since joining SpiTrex Orthopedics, Bryan has served as the Vice President of Finance, where he played a critical role in financial planning, analysis, and operational efficiency. Prior to that, he was the Director of Financial Planning & Analysis (FP&A), where he developed and implemented strategic financial initiatives that contributed to the company's expansion and profitability.

Prior to joining SpiTrex Orthopedics, he served as the Controller at Orchid Orthopedics, a contract-manufacturing medical device company and Beaver Aerospace and Defense, a global leader in the design and manufacturing of a broad range of custom ball screws and electromechanical actuation systems for the commercial and military aerospace and defense industries.

Bryan holds an MBA in Finance and Management and a Bachelor of Science in Corporate Finance from Wayne State University in Michigan.

### **About SpiTrex Orthopedics**

[SpiTrex Orthopedics](#) is an international contract manufacturer that is specifically focused on complex orthopedic implants for the **Spine**, **Trauma** and **Extremity** markets. (SpiTrex) Our multi-site footprint consists of 4 manufacturing locations: CTE (Plymouth, IN), MDI (Lancaster, PA), S3D (Carlsbad, CA), and SWI (LeLocle, CH).

SpiTrex Orthopedics share a similar corporate culture, entrepreneurial spirit, and a customer centered approach to business. We strive to be your partner for manufacturing medical devices with focus on improving lives, together. We believe that together we can positively impact lives, that success comes from integrity, serving others, and a relentless quest for perfection, and all problems can be solved with dedication, creative thinking, and personal care.
